

Mortgage Incentive Program

When you protect your customer's home from fire and mold with **No-Burn** they can save thousands of dollars, not only at closing, but over the life of their loan.

Incentive Program

- Reduction on Interest Rate by Minus 0.25% off PAR*
(rate sheet disclosed to confirm discount)
- Reduction in origination fee from 1% point to 0.25% point
- Applicable to ALL Mortgage Types*

Example :

- Jumbo 30Yr. Fixed loan rate	= 6.50% (PAR RATE)
- Incentive discount of minus	= - 0.25%
New Rate with NO BURN Package rate	= 6.25%

- On a \$500K home, to reduce a rate by .25%, would cost 1.125% in discount points **OR** money equal to \$5,626.00 in additional closing costs

The Answer

**NO-BURN AND COUNTRYWIDE HOME LOANS TOGETHER CAN
"SAVE" NEW HOME BUYERS THOUSANDS OF DOLLARS OVER
THE LIFE OF THE LOAN**

*PAR refers to "zero" cost on a particular rate for any given trade day. The term discount point refers an additional point or points, based on the loan amount, to "buy down" the rate from PAR
