

## Jon S. Traw Joins the No-Burn Team

October 1, 2004 - Jon S. Traw, PE has joined the No Burn team as a consultant to assist No Burn in the area of product testing and acceptance. He is a principal partner of Bob Heinrich for the California dealership.

Jon is currently the President of Traw Associates Consulting in Whittier, California and is the former President and CEO of the International Conference of Building Officials (ICBO) from 1993 to 2002

Jon is a licensed Civil Engineer and Fire Protection Engineer in California and received his Bachelor of Science Degree in Civil Engineering from the University of Arizona. He has more than 30 years of building construction experience.

He is a member of several organizations including Structural Engineers Association of California, American Society of Civil Engineers, ASTM International and the National Fire Protection Association. He currently is a member of the ASTM E 05 committee on fire standards and serves on numerous subcommittees and task group developing and revising fire testing standards.

Because of his background and experience, especially in the building regulatory arena he has been a well known featured speaker on building regulatory issues worldwide for over 25 years.

We welcome his knowledge and expertise to the No Burn team!
