Dear Mr. Kish:

On behalf of the board of directors, volunteers, and staff, I want to thank you for the quality services and product your company provided Stan Hywet Hall & Gardens.

As you are aware, Stan Hywet Hall & Gardens in its entirety is a unique and irreplaceable community asset. The institution is a recognized and registered National Historic Landmark and its 65,000-square-foot Manor House has been described as the finest example of Tudor Revival architecture in America.

Stan Hywet's leadership team is truly committed to innovative preservation and stewardship of this distinctive asset. For this reason, we have elected to treat all of our historic buildings with *No Burn Fire Retardant*. We believe that this product has greatly reduced our exposure to loss from fire, and we know it has played an important role in reducing our annual insurance expense.

Again, thank you for your quality services and outstanding product.

Sincerely,

A handwritten signature in cursive script that reads "Harry P. Lynch".
